

Charging: This product is rechargeable. Please charge fully before first use to ensure optimal performance. Plug the full sized USB plug of the included charging cable into any USB power source such as a power cube, computer or car charger. Pull back the charging port cover and insert the USB Type-C plug. A red light adjacent to the plug indicates charging is under way. The light turns solid green when charging is complete.

Operation: Repeatedly pressing the power switch cycles between white high and low brightness, solid red, flashing red and off.

Adjustable Headband: The headband is fully adjustable to fit over hard hats, caps and most head sizes. To attach your headlamp more securely, four headband clips are included. Slide the headband into the slot of each clip and place the hooks under the rim of the hard hat. **NOTE:** The headband does not come off and is not replaceable.

Caution! This product contains a non-replaceable rechargeable lithium battery. Attempting to open the product or replacing the rechargeable battery will result in permanent damage and void all warranties.

Warning! To prevent serious injury, including temporary or permanent loss of sight do not stare into the light, shine light into eyes or focus the beam using an additional lens. Keep away from infants and toddlers as this product contains small parts.

This product is not a toy! Use this light only as it is intended. Inspect before every use. Do not use if parts are damaged, loose or missing.

Save these safety precautions!
