Sensaphone 800 Series

Features and Specifications

Inputs

Accept eight different inputs – either temperature or a contact type sensor.

CONTACT
SERIES

2.8K
SERIES

Output

Use in conjunction with the dual setback thermostat to control the temperature between two set points. Or control a light, siren or other device.

Keypad

Makes programming simple and easy. LED lights give a quick visual status.

Power

Comes with a plug in power supply that also monitors for power failures.

Phone Line

Call up to eight different phone numbers when an alarm has been detected.

Speaker/Microphone

Record messages in your own voice, listen in from over the phone or be alerted if you're nearby when there is an alarm.

Battery Backup

Rest easy knowing that even if the power goes out, the 800 will keep monitoring.
