RD SERIES RETRO DAMPERS

RETROFIT ZONE CONTROL DAMPERS

These low-cost dampers make it easy to quickly add zoning to an existing duct system. The RD damper is the perfect alternative to pneumatic systems that require special plastic tubing and pumps. This damper uses standard thermostat wire and will work with most zone control panels.

SPECIFICATIONS:

Warranty	5 years
Construction	18-gauge steel
Sizes	5", 6", 7", 8", 9", 10"
Damper Actuator Type	24VAC, 2.5VA, 3-wire Power open/power close
